REQUEST FOR PRELIMINARY HEARING

The Petitioner requests that a **Preliminary Hearing** be set and that this Court assume jurisdiction over the Respondent(s) and issue an Order compelling school attendance of the Student. The Petitioner believes that court intervention, in conjunction with school district interventions, will accomplish an improvement in school attendance of this Student.

The following actions taken by the Petitioner have *not* been successful in substantially reducing the student's absence from school:

- ☐ School based interventions (see list below)
- ☐ Student was invited to but failed to attend a PAO truancy workshop, OR
- ☐ Student attended a truancy workshop and Petitioner followed up with additional interventions as follows: _____
- _____
- ☐ Attendance agreement from workshop attached (required, if student attended).
- ☐ Attendance records attached (required).

(Please include who, what, when, where, how & why. Please **type** the facts.)

- I certify that the above information was obtained from school records kept in the regular course of business, at or near the time of the event, and is true and accurate. I declare under penalty of perjury under the laws of the state of Washington that the foregoing is true and correct to the best of my knowledge.
